

# More on Tables and Graphics

Anuj Nair

## 1 Introduction

Here we'll look at more tables and graphics formatting.

### 1.1 More on Tables

Table 1 uses text wrapping in the last column.

Table 1: default

CS101	Java	Programming with Java
CS201	Languages	Programming with language principles
CS301	Compiler	Principles of compiler design and implementation

Table 2 uses row and column span.

Table 2: Spanning rows and columns

	Ranges	
	X	Y
Hot	7	9
	5	6
	6	7
Cold	4	7
	2	9
	3	5

### 1.2 More on Graphics

Both of my graphics are in the graphics folder for the subfigures, Figure 1a and Figure 1b in Figure 1.

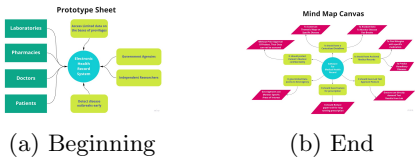

Figure 1: The process

## 2 Conclusion

Now I know more about tables and graphics.
